Subject: Community Transportation Enhancement Program (CTEP) 2008 Allocations  
Additional 10.91% IDC recovery.

The Montana Department of Transportation has calculated an additional **2008 supplemental allocation** to accomplish a onetime IDC recovery per Director Lynch's letter of 2007. The additional funding amounts to 10.91% of your 2008 allocation made in May of 2008. This amount has been added to your 2008 Allocation and is reflected below. This is not part of the 2009 funding which will be distributed in the spring of 2009.

Ravalli County's IDC recovery amount is \$17,478. This amount brings the total available funds as of October 9, 2008 to \$273,528 for CTEP eligible projects. CTEP funding can be used to pay for 86.58% of eligible, approved expenditures. A complete list of eligible projects and development information can be found on our website, <http://www.mdt.mt.gov/business/ctep/>.

I look forward to working with you in making Montana's CTEP program a success. Should you have questions, please call me at (406) 444-4221.
